

# Deep Cleaning Checklist

## Bathroom

Deep cleaning work must be done to keep a bathroom safe and to help it feel clean. Spending just a little extra time in a bathroom can transform how it looks and smells.

- ☐ Clear hair and other buildup from drains
- ☐ Clean tiles and scrub grout
- ☐ Wash backsplash

## Kitchen

The room where food is made should be given extra attention to make sure it is germ-free and ready to be used.

- ☐ Clean out inside of stove
- ☐ Scrub backsplash
- ☐ Remove burners on cooktop and clean
- ☐ Wipe down stove hood
- ☐ Clean sink and polish faucet
- ☐ Clean drip pan under refrigerator
- ☐ Empty refrigerator and freezer and check for expired products
- ☐ Wash windows and window sills

## Bedrooms

A bedroom is used every night and it does not always receive all of the care required to make it comfortable and fresh.

- ☐ Organize closet and vacuum
- ☐ Vacuum room corners and check for cobwebs
- ☐ Clean windows and sills
- ☐ Wipe down TV
- ☐ Organize bedside tables

## Living Room

The space where family gathers has certain issues in it that should be addressed during a deep cleaning session.

- ☐ Wash stains from furniture
- ☐ Clean carpet
- ☐ Clean window treatments and windows

## Utility Room

The room where laundry is done and cleaning supplies are stored should be given some attention when cleaning is being done.

- ☐ Clean inside of washing machine
- ☐ Clear lint from dryer and vents
- ☐ Vacuum behind appliances

## Miscellaneous

There are exterior and interior nooks, crannies, and extra spaces that should be addressed while deep cleaning.

- ☐ Power wash porch
- ☐ Sweep out garage
- ☐ Clean hallway floors
- ☐ Vacuum stairs
- ☐ Wipe down baseboards
